We've sung a-bout the Ar-my, And sung a-bout the Flag; But what a-bout the Na-vy? It's nev-er known to lag; They fought for In-de-pendence And help'd our Un-ion too, And now they're go-ing ov-er there, To show them what to do.

Our country's had some heroes, And we can name a few; Paul Jones and brave George Dewey; They all wore Na-vy blue; And there's Com-mand-er Peary, Who put the Flag up North, They'll find we have a Fletch-er now, Who'll show them what he's worth.
